

First Presbyterian Church of Neenah

Address: 200 Church Street
Neenah, WI 54956

Project: Major Renovations

Project Cost: \$1.0 million

About the Project:

Creation of a drop-off canopy on the north side to compliment the historical nature of the existing building, replace steps with handicap accessible entrance, and provide new driveway under canopies. Renovated fellowship hall and kitchen, including installation of a new lighting system, flooring and acoustical wall fabric, repainting of walls. Remodeled bathrooms and provided ADA showers, installed new cabinets, countertops, and appliances. Renovated sanctuary and chapel including installation of new "slate" resilient tile, modified pews for handicap access, repaired wood ceiling, and replaced cloister and sanctuary windows. Remodeled classrooms, library and offices including an expanded nursery area, replaced the carpet and vinyl tile, installed accordion partitions, acoustical ceilings and lights, installed new doors, shelving and cabinets, and provided a new second floor air conditioning system. Install ADA compliant three-stop elevator and remodel to accommodate elevator. Miscellaneous maintenance performed included refurbishing or replacing exterior doors, removing asbestos tile, repairing existing storm sewer, cloister roof, repairing concrete stoop, repairing curbs and asphalt in service court, repairing exterior metal work, repainting various interior floors and walls, installing suspended acoustical ceiling, and replacing main electrical service panels. Addition of an ADA compliant unisex restroom in the narthex, repainted walls, installed new acoustical ceilings and lights, remodeled existing restroom on first and second floor, and remodeled and expanded basement bride's room.
